

The American Physical Society is offering Open Access to articles published in *Physical Review A-E*, *Physical Review Letters*, and *Reviews of Modern Physics*. This OA initiative is called FREE TO READ, and can be applied to any article or group of articles published in the Journals of the American Physical Society back to 1893. Anyone (authors, readers, institutions, funding agencies, etc.) may, by paying a one-time fee, make an article published in the APS journals available on the APS site to all readers at no cost and without a subscription. Readers will have access to PDF and postscript versions of the FREE TO READ articles through the APS online journals.

I wish to order the following article to be FREE TO READ. Please supply one of the following to uniquely identify the article:
