

Policy Note: New, Novel

*Physical Review A* and *Physical Review E* adhere to the following policy with respect to use of terms such as “new” or “novel:” All material accepted for publication in the *Physical Review* is expected to contain new results in physics. Phrases such as “new,” “for the first time,” etc., therefore should normally be unnecessary; they are not in keeping with the journal’s scientific style. Furthermore, such phrases could be construed as claims of priority, which the editors cannot assess and hence must rule out.
