A description of editorial Policies and Practices is published in the first January and July issues and can be found on our Web server. Instructions for manuscript preparation are given in the Information for Contributors published in the first issue of each volume and available on our Web server. Rules pertaining to allowed length and memos regarding production requirements appear at the end of some issues of the journal.

An executed APS **copyright-transfer** form (effective only on acceptance for publication) must be provided; the form is available on our Web server and appears at the end of the 25 June 2004 issue of *Physical Review Letters*. To help defray editorial and production expenses, authors of published Letters are expected to pay a **publication charge** of \$670 (\$240 for a Comment or Reply). Charges are lower (\$545 for a Letter, \$190 for a Comment or Reply) for properly prepared electronic submissions.
