Manuscripts should be submitted electronically in acceptable format (see http://authors.aps.org/Submissions/). Submissions/). Submission is a representation that the manuscript has not been published previously and is not currently under consideration for publication elsewhere. Authors should provide indexing codes according to the PACS scheme (available at http://journals.aps.org/PACS/). An executed APS copyright-transfer form must be provided (effective only on acceptance for publication). Information for contributors may be found on our Web server.

To help defray editorial and production expenses, authors of manuscripts which are not submitted in acceptable electronic format are expected to pay a **publication charge** of \$1405/article, \$875/Rapid Communication, \$320/Comment or Reply. Acceptable formats are REVTEX (preferred), LATEX, plain TEX; MS Word; PostScript figures (preferred). **Reprints** are offered for sale to authors.

For information about subscription prices and about the online version of the journal, see our Web server, or inquire at assocpub@aps.org. Member inquiries regarding subscriptions, renewals, address changes, missing or damaged copies, and single-copy orders should be addressed to the APS Membership Department. Institutional subscribers should address subscription inquiries to APS Subscription Services. For address changes please send both old and new addresses, and if possible, send the mailing label from a recent issue.
